

E - A R M

A NEW STANDARD IN MONITOR ARMS

Strength To Adapt

The new Evans E-Arm has been painstakingly engineered to support the increasingly larger screen requirements of today's mission critical operations. E-Arm's true strength is not just its durability and sheer capacity for monitor support. E-Arm is flexible enough to adapt to a user's unique requirements and locks into position until the user needs a change. E-Arm offers quick-mount and quick-release technology for easy installation and removal that doesn't sacrifice strength and flexibility.

E-Arm's innovative new design has the strength, flexibility and durability to support any mission critical application.

THE EVANS ADVANTAGE

Over **30 years** of manufacturing experience

Equalling over **9000 successful** installations worldwide

Rich and Diverse **Fortune 500** client list

Government Agencies, Oil & Gas, Airports, Air Traffic Control, Chemical Plants, Military **and More**

DESIGNED TO ADAPT

E-Arm has been designed to adapt to the unique demands of our partners. Larger, heavier monitors in a wide range of configurations have exceeded the capability of standard monitor arms. E-Arm not only meets those demands, but also provides adaptability and ergonomic support to it's users.

Mount arms above and below the slatwall mount for added balance and stability.

Load capacity:	40lbs (18.1KG)	Vert. Adjustment:	Available
Extension:	Up to 20" (508mm)	Horiz. Adjustment:	Available
Mount displays size:	from 12" to 24"	Rotate Adjustment:	360° at pivot
Monitor pan radius	180°	Mounting standards:	VESA 75/100
Tilt adjustment:	flat panel tilt +/-60°		

GREENGUARD, the most familiar product certification is a globally recognized leader in indoor air quality, and has been certifying products since 2001. GREENGUARD is an independent third party certification program that certifies products for low non-toxic emissions. Evans furniture is manufactured using recycled and low VOC/formaldehyde emitting materials that help our customers meet and exceed environmental standards in their projects. Evans products can offer points towards LEED Certification of your facility.
